

Size 8 footbed left

The image shows a dark grey, oval-shaped footbed on a white background. The footbed has a central longitudinal groove and several white, elongated oval-shaped features along its length. A dimension line indicates a length of 10 inches (25.4 cm) from the top edge to the bottom edge. Two other dimension lines are shown: one at the top edge and one at the bottom edge, both pointing to the central groove.
